

To Whom it may concern:

I am the treating physician for _____ . I have read the work duties/ working conditions of _____ while being employed at the General Electric Neutron Device facility, Pinellas Plant.

The claimed illness(es) of _____ arose out of and in the course of the employment of _____ while working at the Pinellas Plant.

Based on the information of the toxic substances that _____ was exposed to and the medical illness of _____, it is my opinion that the exposure to the toxic substances was at least as likely as not a significant factor, (which means any factor) that had the potential to aggravate, contribute to, and or cause the claimed illness(es) of _____

Specifically the toxic substances _____ has a known link to

I have based my opinion on well accepted information from _____

§ 7385s-4. Determinations regarding contraction of covered illnesses

(c) OTHER CASES.—

(1) In any other case, a Department of Energy contractor employee shall be determined for purposes of this part to have contracted a covered illness through exposure at a Department of Energy facility if—

(A) it is at least as likely as not that exposure to a toxic substance at a Department of Energy facility was a significant factor, (any factor), in aggravating, contributing to, or causing the illness;(using accepted workman compensation principals and definition of aggravating, contributing to or causing); and

(B) it is at least as likely as not that the exposure to such toxic substance was related to employment at a Department of Energy facility.

(2) A determination under paragraph (1) shall be made by the Secretary.

Pub. L. 106-398, Title XXXVI, § 3675, as added by Pub. L. 108-375, § 3161
